

Central Ohio Chapter
American Society of Safety Professionals
Scholarship Fund Golf Outing

February 8, 2022

To Whom It May Concern:

A main goal of The American Society of Safety Professionals (ASSP) is to provide support and development for individuals in the safety, health and environmental field. One way we achieve this goal is investing in students who represent the future in our industry. After 100 years and with more than 30,000 members worldwide, ASSP continues to strive to be the premier safety organization.

Our primary funding is through membership dues. However, providing educational opportunities for student members and investing in the future of our profession is done through both additional fund raising and membership support. We want to exceed last year's fund-raising efforts from our annual golf tournament to provide even more scholarship support and we need your help again this year!

We are hopeful that your organization is willing to assist us by sponsoring a team, hole, contest, lunch, drinks or providing items that can be used as prizes for our outing. Gift cards and similar items are also welcome! In return, your company will be promoted in our newsletter, on our web site, and at the course during the outing. All golfers will receive a flier with our sponsors' company names and contact information.

Your support is an essential component to the success of our goals. We could not achieve this if it were not for you! Thank you very much for any support you may provide to the Central Ohio Chapter-ASSP for this great cause. Additional sponsorship information is included on the next page.

Sincerely,

A handwritten signature in black ink that reads "Allie Meyerhoefer". The signature is written in a cursive, flowing style.

President Central Ohio Chapter ASSP

Central Ohio Chapter
American Society of Safety Professionals
Scholarship Fund Golf Outing
May 20th 2022 at Glenross Golf Club, Delaware, OH
